Dear Member,

Once again a warm welcome to the IIT Alumni Club, Chennai. The Society registration steps are at an advanced stage. We are also seriously talking to a couple of property owners for the temporary premises, to finalize something soon. The membership cheques have been deposited in the bank and you will be shortly getting a proper receipt for the same.

In the meanwhile in order to send postal communications to you and for other purposes, we need some information from you about yourself.

Kindly fill up the enclosed format and send the same to the address given below.

Please also enclose two passport size colour photographs of yourself , your spouse and dependent children (please write their names on the back of the photograph).

We also welcome any suggestions from you with regard to the Club.
